A Division of Ariston Hospitality

WELCOME TO MOTIVO FURNITURE

Motivo Furniture, now a division of Ariston Hospitality, offers an extensive curated collection of over 200 European-designed seating, tables, and table bases that are assembled, finished and upholstered domestically. Motivo supplies the North American hospitality, design, contract and related trade markets with a fashion-forward collection and works with a select group of well-established European manufacturers, internationally recognized for their design and manufacturing expertise.

All our standard in-line seating products, wood bases and tops are produced in select European beech, made to exacting specifications and industry-acceptable contract-grade construction including assembly, application of foam products (TB 117-2013), materials and wood finishes. In addition, Motivo offers a three-year warranty and meets or exceeds applicable BIFMA or ANSI standards, are CATAS tested and our superior conversion varnish wood finishes pass KCMA testing for industrial use.

IN-LINE PRODUCTS AND CUSTOM CAPABILITIES

Motivo's product line includes innovative seating and table designs that blend combinations of wood and metal, along with fully-upholstered seating products. Custom capabilities are offered from our European factory partners and our High Point production facility, where we maintain an engineering department with CAD drawing and prototype capabilities along with sample production.
